

AFTERSCHOOL INFORMATION

Inclement Weather Plan

Whenever possible, our child care programs continue to operate. In the event that the Stokes County Schools alter their regular class schedule, please refer to the following procedures.

School Delays

If school openings are delayed we do **not** provide child care.

Early Dismissals

After School Child Care Participants

If school is dismissed early because of snow or ice, the after school child care will be offered at the YMCA until 6PM. Parents are responsible for getting their child(ren) to the YMCA. To ensure your child's safety, we will not transport children on these days. Staff will report directly to the YMCA to be available to provide care for those who have dropped off children following the early dismissal. No YMCA staff will be on site to provide care at a school where the children have been dismissed early. There is no additional fee for care on these days. Please refer to the list to the right to find out where to drop off your child on early dismissal days.

Snow Days

After School Child Care Participants

If schools are closed for the entire day, the YMCA offers a child care program at a YMCA from 7AM until 6PM. Please refer to the list to the right to find out where to drop off your child on snow days. There is no additional fee for these days. Children should bring a lunch and drink that does not require refrigeration or heating, swimsuit and towel.

Schools	Childcare Location
Germanton King London Mount Olive Pinnacle Walnut Cove	Stokes Family YMCA

***All of the above assumes safe travel conditions. In the event of extreme weather, power outages or YMCA Facility closures or delayed openings, child care program schedules may be altered or cancelled.**
